

Government College of Engineering, Keonjhar

Hostel Information Brochure

Jamunalia, Old Town, Keonjhar – 758002, Odisha

This brochure covers what you need to know before moving in: the accommodation on offer, the indicative fee structure, the code of conduct, and how to apply. Residents and parents manage everything else — room allotment, fee status, attendance, leave, gate passes and complaints — through the online hostel portal.

Accommodation

The hostel operates separate blocks for men and women, each under an assigned warden. Rooms are allotted by the warden through the portal; roommate and bed details appear on the resident's dashboard once allotment is confirmed.

Room type	Occupancy	Provided
Single	1 resident	Bed, study table, chair, wardrobe, ceiling fan, LED light
Double sharing	2 residents	Per resident: bed, study table, chair, wardrobe. Shared fan and lighting
Triple sharing	3 residents	Per resident: bed, study table, chair, wardrobe. Shared fan and lighting

Residents must bring their own mattress, bedding, bucket, mug and personal toiletries.

Facilities

Furnished rooms

Shared and single-occupancy rooms with beds, study tables and wardrobes.

Dining & mess

Hygienic dining hall with a rotating weekly menu and dietary options.

Campus-wide Wi-Fi

High-speed internet across rooms, study halls and common areas.

Laundry service

Scheduled laundry pickup and drop-off for every block.

Gym & recreation

In-house fitness room plus indoor games for downtime.

Medical room

First-aid and an on-call doctor for routine and emergency needs.

24x7 security

Manned gates, CCTV coverage, and logged visitor and gate-pass entries.

Study hall

Quiet, well-lit space for focused study, open late into the evening.

Fees structure

The table below shows the heads under which hostel charges are levied. Amounts are revised each academic session by the college and are notified on the portal and the hostel notice board — please confirm the current figures with the hostel office before making payment.

Head	Basis	Notes
Hostel seat rent	Per semester	Varies by room type (single / double / triple sharing)
Mess charges	Per month	Pooled and settled monthly against actual mess expenditure
Electricity & water	Per semester	Shared across residents of the block
Caution deposit	One-time, refundable	Refunded on vacating, after deduction for any damage
Establishment charge	Per semester	Covers maintenance, housekeeping and common-area upkeep

Paying and tracking fees. Every resident's dues, payments and outstanding balance are visible under **Fees** on the student dashboard, and to parents on the linked parent dashboard. Receipts issued by the hostel office are recorded against the resident's account.

Code of conduct

- 01 Entry and exit.** Residents must be inside the hostel by the notified closing time. Any exit beyond campus requires an approved gate pass.
- 02 Gate passes.** Apply through the portal at least 24 hours in advance. Passes are approved by the warden and verified by security at the gate.
- 03 Leave.** Overnight and vacation leave must be applied for on the portal and approved before departure. Parents of the applicant are notified.
- 04 Visitors.** Visitors are received only in the designated visiting area during visiting hours and must be logged at the gate.
- 05 Ragging.** Ragging in any form is a criminal offence and attracts immediate expulsion, in addition to action under applicable law and UGC regulations.
- 06 Prohibited items.** Alcohol, narcotics, tobacco products, weapons and cooking appliances are not permitted anywhere in the hostel premises.
- 07 Property and damage.** Damage to hostel property is recoverable from the resident responsible and may be deducted from the caution deposit.
- 08 Quiet hours.** Study and sleeping hours are to be observed as notified. Loudspeakers and amplified music are not permitted in rooms.

How to apply

- STEP 1** **Secure admission.** Confirm your admission to a programme at the college.
- STEP 2** **Submit the hostel form.** Collect and submit the hostel application at the hostel administration office with the required documents.
- STEP 3** **Allotment.** The warden allots a block, room and bed based on availability and category.
- STEP 4** **Pay and move in.** Pay the notified charges, collect your receipt, and report to your block warden on the move-in date.
- STEP 5** **Activate your portal login.** The hostel office creates your portal account. Sign in at the hostel portal to see your room, fees, attendance and notices.

Your hostel portal

Day-to-day hostel administration runs online. Each person signs in with their own account and sees only what their role permits — a student cannot see another student's records, and a parent sees only their own child's.

Role	What you can do
Student	View room and roommate details, fee status, attendance and mess menu. Apply for leave and gate passes, raise complaints, request inventory items and submit feedback.
Parent	Follow your child's attendance, fees, room allotment and gate-pass activity. Read hostel notices and reach emergency contacts.
Warden	Allot and vacate beds, mark attendance, approve leave and gate passes, manage complaints, mess, inventory and notices, and run block reports.
Security	Verify gate passes at the gate, maintain the in/out register and visitor log, file incident reports and follow the duty roster.
Administrator	Manage accounts and blocks across the institute, oversee fees and safety, import records in bulk, and review the audit log.

Accounts are created by the hostel office. If you cannot sign in, contact the office rather than sharing another person's credentials — all portal activity is logged against the account that performed it.
